Hunt's Church Preschool

Dear Friends,

I am an amateur golfer; amateur being a politically correct term for a hacker. I hack the golf ball to the left and to the right and rarely do I put it in the middle of the fairway. Mark Twain once said, "*Golf is just an interruption of a good walk.*" I must say I can understand Twain's frustration. A beginner golfer must focus on the basics.

For example, one of my common mistakes is to lift my head up before I hit the ball. The reason I do this is because I am more interested where I want to go with the ball than dealing with the ball where it is. In a sense, I am so overly concerned with my destination that I forget to center my focus at the beginning – in this case, the ball resting on the tee.

Life is like that. We are so wrapped up in where we want to go that we forget to enjoy the journey. In our quest for answers, we lose sight of the questions. In our attempt to arrive safely at our destination, we avoid following directions on how to get there. Yet every endeavor starts at the beginning. As the Chinese proverb states: "*The journey of ten thousand miles begins with the first step.*" So it is with our faith.

On September 13th, our Sunday school classes for the children will begin and on September 20th, our adult class begins. For some, this may mean entering a new class, which is a new beginning. Our Adult Bible Study classes will begin on Monday, September 14th. We will study the gospel of John. The Chancel Choir will be participating in worship. The Youth Group will begin a new year of activities. For all of us, September is a time to begin again. The secret to starting well is just showing up, committing ourselves to learning new ideas and focusing on the opportunity right before us.

The next time I go out to play golf I am going to try to listen to the advice, "*Keep your eye on the ball.*" The secret to growing in any endeavor is to begin well. Let us make a new beginning together.

Grace & Peace,

Gary

CONGRATULATIONS ---- EMMY NOMINATION

Sincere “Congratulations” are extended to Jody & Burns Waters! Their son, Derek Waters, went to California fifteen years ago with a dream, strong determination, and the unconditional support of his family. Derek turned his dream into a film. His film grew into many films. The many films were seen and admired by executives at Comedy Central. Comedy Central turned Derek’s dream into a television series. September 1, 2015 will begin the third season of Derek’s show, “Drunk History.” – **Plus**, “Drunk History” has received its first Emmy nomination! “Congratulations, Derek!”

***The 67th Primetime Emmy Awards Ceremony
will be held at the Nokia Theatre
in Los Angeles, California and will air live on FOX
beginning at 8 p.m.
on Sunday, September 20, 2015.***

Guess who is going to be Derek’s “date” for this special event?

To my wonderful “Church Family” ...

*So much
to be
Thankful
for!*

Thank you ever so much for your bountiful expressions of concern. I have been overwhelmed by the numerous cards that continue to arrive daily.

I sincerely appreciate the loving telephone calls from so many of you -- offering support and assistance in any way needed.

Most of all, I want to extend a heartfelt “thank you” for the prayers that you have offered up to God on my behalf.

I am truly grateful to have been blessed by being a part of our church family here at Hunt’s.

*Grateful
to God*

Dear Hunt's Family,

My husband and I want to thank everyone for their cards, emails, texts, prayers and thoughts as we navigated the NICU experience in June with our new little man, James the 4th.

I also want to say a special thank you for the gorgeous blue prayer shawl. It means a lot!

We are grateful to have such a supportive church family!

Fondly,

Barbara, James, Grace, and baby James Anastasion

Church Project Mornings

We took a break over the summer working on our own projects, but several Trustees participated in both Camp Hope and the Baltimore County Christian Workcamp. Many thanks to everyone who participated in either of these worthy causes. We recently had the carpets shampooed and the pew cushions cleaned, so let's strive to keep them looking their best. Our Project Mornings will resume their monthly schedule on **Saturday, September 19 at 9:00 a.m.** We hope to see you there.

Ken Parrish - Trustees' Chairperson

RECAP OF 2015 BALTIMORE COUNTY CHRISTIAN WORKCAMP (BCCW)

Quick overall summary:

Sunday July 19—We had our last planning meeting to get ready for the week's events. Afterwards, we had our kick-off dinner at Hunt's (an estimated 105-115 in attendance), showed our 40-minute orientation video, and closed our silent auction.

Monday July 20—Hunt's prepared scrambled eggs and bacon for the 50-55 volunteers who came for our 7:30 breakfast at Hunt's. Bagged lunches were prepared and then we headed off to our sites. At 6:30 some of us went to a host church which prepared dinner for us where we recapped the day's activities.

Tuesday July 21 thru Friday July 24—Basically the same as Monday, except on each day, there was a different church which prepared the breakfast (50-55 attendees each morning) at Hunt's and a different church which hosted the dinner. Friday's dinner included a video of the sites' photographs through Thursday, discussion of what occurred during the week at the sites, awards, and a closing communion service.

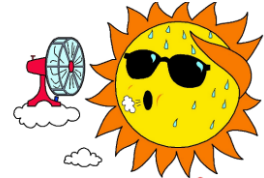

**During the week, 29 sites were completed; 9 were partially done; 7 were not visited.
11 of 13 ramps were completed.**

Weather summary:

Monday—**HOT, HUMID, and MISERABLE!!!** (but at least no rain)

Tuesday—Not as bad as Monday's, but still not that good (but, still no rain).

Wednesday thru Friday—Still warm, but decent for mid-July (and no rain).

“Hunts’ two ramp sites” summary:

The first site (no shade!) was in the Windsor Mill area off Rolling Road. Our productivity due to the weather (See comment above.) was low (65%?) and several volunteers had to leave early due to the heat. Notwithstanding, we manually dug and used a two-person gasoline powered-auger to drill some of our post holes, purchased the necessary lumber, and got our ramp and landings started. Tuesday morning, Steve Lippy recruited some non-Hunt's people to help us as we were behind schedule; we completed all but the last ramp tread and the railings on Tuesday. One of the new persons actually had used an auger before and was a great addition to the team. Tuesday night, as well as on Wednesday morning, Steve Lippy recruited some more non-Hunt's volunteers, as the extra help from Tuesday was not coming back. Unfortunately, our crew chief, Glenn Keatts, faced a major dilemma early on Wednesday morning as he needed to go the hospital since his father took a turn for the worse, essential tools were on his pick-up truck and his trailer was needed to transport lumber for the next ramp site. He took a **MAJOR** leap of faith and dropped off his truck keys to someone to give to Steve so we could use his truck and trailer. Fortunately, one person recruited the night before had experience with driving a pick-up truck, as well as pulling a trailer. (Steve did emphasize driving safely and keeping it clean and organized!) We then went to the first site and finished the ramp about noon (a 6'x6' porch landing, two 3'x3' landings and 35' of ramp). Afterwards, we then went to the second site which was in Pikesville (shaded by some large trees) where we ate lunch, began augering holes, picked up some of the lumber for the ramp, and set a few posts. A few other non-Hunt's persons were recruited for Thursday. Glenn was able to work Thursday morning and all day Friday. We were hustling on Friday afternoon (including ripping needed 2x4s out of extra 2x6s) and finished at 6:00 pm when the owner brought her mother down the ramp (a 4'x4' wedge at the front door, a 3'x3' and 3'x6' landing, and 60' of ramp).

A few photographs of the Hunt's breakfast crew and the finished two ramps are on the Missions bulletin board; additional photographs are on Hunt's website (www.huntsumc.org). (We have requested a video which will show most of the photos from “our” two sites.)

Eleven Hunt's members gave an estimated 36 ½ work days at the two “Hunt's sites,” as well as two days at another site by one person.

“Hunt's two ramp sites” are in parentheses on purpose for though we (i.e., Glenn and Steve) committed to Hunt's building the two ramps, if we had not the additional help on the four days, we would not have finished both. Their completion was a result of a collaborative effort; we are most grateful for the assistance by others.

And last, but certainly, not least, THANK YOU to all of those who participated in some way to make the BCCW a success!:

- For all those who donated monies for the Advent and Lent offerings, and special donations (including \$2,000 from the Carroll-Gills Endowment Fund)—a total of \$4,108.50.
- For those who donated gift cards for the silent auction (at least five), baked goods for the auction, baked goods for lunch, books for the used book sale, and items for the flea market.
- For those who helped set up tables and chairs on Sunday morning.
- For those who assisted Jody Waters (who had purchased the food) in preparing the Monday breakfast (Robin Bosley, Lynn Henss, Mary Ellen Lippy, and Pegg Melfa).
- For those who participated in the silent auction.
- For those who actually worked at any of the work sites during the week (especially on “miserable” Monday!): Carol Anders, Pat Barkdoll, Bruce Douglas, Dan Funderburk, Glenn and Linda Keatts, Steve Lippy, Diane Paulson, Melissa Regan, Gary Sheffield-James, and Robert Sparks. (Special thanks go to Glenn for allowing us the once-in-a-lifetime opportunity of using his truck and trailer without him, as well as to several people who decided to work more days than originally anticipated.)
- For Howard Linn who was one of BCCW’s photographers (who did seem to show a partiality to “our” two sites) and attended all of the breakfasts and dinners and racked up over 500 miles driving to the sites throughout the County.

2016 BCCW—On Friday night the question was posed and everyone unanimously proclaimed that there should indeed be a 33rd annual BCCW; at our 2015 wrap-up planning meeting on August 11, we confirmed that and set the date as **July 17-22, 2016**.

Planned Giving to Hunt's Church

In the last newsletter I wrote about the opportunity to benefit Hunt's through gifts beyond annual giving. You may be familiar with these types of legacy gifts as often solicited by colleges or other institutions. They include gifts of cash, securities, items of value such as collections or art, real estate, or bequests in a will. There are also a number of trust, annuity and life insurance related structures which may meet retirement income needs while possibly affording tax benefits. **If you have made a gift or have arranged for a later gift, we thank you. If you would like to discuss making a gift, please let us know.**

Over the last 242 years, many members have furthered the continuance of Hunt's Church and its good works through their giving of time and financial support. Your financial legacy can be tailored to the exact uses about which you feel strongest. Thanks for your consideration.

Bruce Douglas - Finance Chairman

JOURNEY THROUGH THE BIBLE

Journey Through the Bible is a long term approach to studying the Bible and highlights pivotal points in the Scripture, lifting up the Bible's most significant stories, themes, events, and people. During each session we will cover four dimensions.

- **Dimension 1** helps us get into the main text.
- **Dimension 2** provides historical information and helps us glean insights in what the passage meant for its first readers.
- **Dimension 3** gives us insight into how to apply insights from scripture to life situations.
- **Dimension 4** offers each person a daily personal Journey Plan for those interested in reading the whole Bible verse by verse.

This month, we will begin **Volume 12 – John**. Bible Study will begin on **Monday, September 14, 2015**; meeting at 10:45 a.m. and at 7:00 p.m. in the Adult Education Room. We will have 13 sessions. If you are interested in joining the class, the study book costs 13 dollars. Please call the church office at 410-339-7770 to let us know if you are interested or place on your name on the sign-up sheet located on the bulletin board in the hallway leading into Van Metre Hall. -- Gary

CAPITAL PROJECTS

- Did you notice the freshly painted lines on the parking lot?
- What about the clean pew cushions or refinished side door or repairs to the flagstone sidewalk?

These are some of the tasks we paid others to complete over the summer, but we still have a lot more to get done. We are actively seeking proposals to repair and paint the bell tower and repair the Agapé roof leak. We have a little over \$20,000 from donations to repair the steeple & bell tower, which may come close to covering that expense. The capital fund has a positive balance, but not enough to sustain the handful of large projects we would like to address.

Thank you to everyone who contributed in June to the special offering that supplements our capital improvements fund. If you missed the offering but still want to contribute, we will graciously accept contributions at any time. Just mark your check for the Capital Fund or select the fund in the electronic giving list of special offerings.
