To the people of God at Hunt's -

This newsletter will find you at the beginning of June. With Memorial Day just behind us, we are now "officially" in summer. Normally, we would be thinking about the end of the school year, with concerts, plays, graduations, sporting events, and summer plans all swirling about and causing a sort of buzz in the atmosphere.

What a year this is! My son is among our graduates, recognized individually later in this newsletter. Congratulations to you all, in spite of the oddness of our ability to celebrate.

In spite of the oddness of the celebration this year, and the plans we are not being able to make, some things are the same. Graduation and the coming of summer are a transition from one way of living, loving, and learning and into a new and different one. Some will remain students in the fall, after a hiatus to work and play in preparation for renewed study in another place and context. Some will seek or perhaps have already found, employment or hopefully economically productive activity to start to build an adult life through.

For all of our graduates, congratulations on the work accomplished, and good luck on the new beginning that is upon you.

For all of us, this is an interesting time to raise our heads and look about. What is different? What is the same? The sun still rises in the east, the weather in the northern hemisphere warms at this point in the seasons, and plants get to growing and making seeds in earnest under the bright and hot sun, and God is still God.

Much is unchanged – and much that is changed is disconcerting, but almost certainly temporary, as we together try to figure out how best to care for each other and to live faithfully in an altered environment. Good stewardship principles for our community, world, and selves are not really changed – Reuben Job summarizes John Wesley in 3 simple rules: Do good, avoid harm, and live with God. Malachi sums it up this way: "Do justice, love mercy, and walk humbly with your God."

We would do well to remember that while circumstances change, who we are, and whose we are, does not. Live faithfully and well in today's circumstances, and we will see what we can do to alter them for the better together.

Godspeed,  
*Pastor Travis*

## COVID-19 CHALLENGE

On the website of Community Christian Church (White Marsh, MD) a positive challenge has been extended. *(I contacted their church office and received permission to copy the challenge. – Beth W.)*

The following is copied from their website:

Let's flip the script on COVID-19 and the overall tone and tenor of this time we find ourselves in.

Here's how it works: Listed below are some important acts of love and care anyone can do that will make a difference. Use those negative letters C-O-V-I-D and turn them into something positive.

**C – Celebrate a Senior**

*(Graduating Senior or older Senior.) There's a lot of disappointment right now for graduating high school and college students who were anticipating a season of celebration. Push some of that back by celebrating someone you know. Push some of the isolation and loneliness back with someone who might be all by themselves and vulnerable.*

**O – Offer to Help Someone Financially**

*Do for one what you wish you could do for all. If you're able and know of a need, meet a need.*

**V – Value a Relationship**

*Make a meal, write a note, meet some need for a friend, neighbor, family member, team member, classmate, etc.*

**I – Intentionally Pray**

*Keep throwing any and all cares and concerns at God's feet. He cares. He is powerful. He is always at work. Pray about everything!*

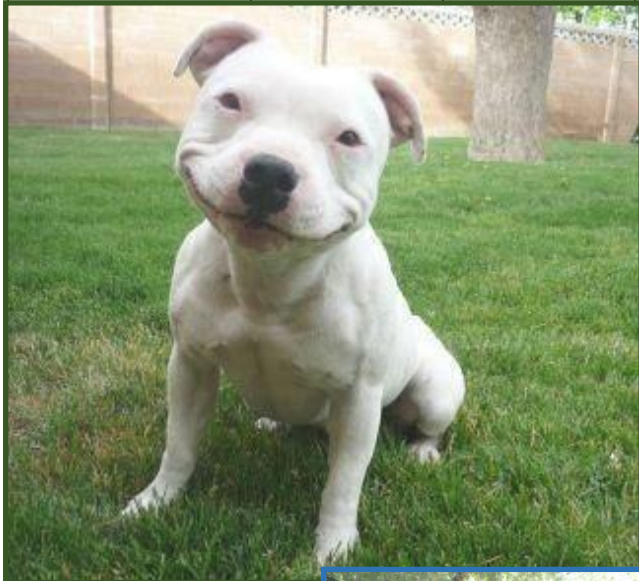

**D – Deepen Your Connection with God**

*Lean into him like never before. Keep looking to his Word, the Bible. Memorize it. Devote yourself to it. Keep tuning in to services each week. Make this moment a catalyst for your relationship with the one who created you, cares for you, and longs to walk with you throughout all of life.*

## Moment in Time...Spring 1986

For the past 34 years, beautiful handcrafted kneeling pads have graced our church railing. Each needlepoint kneeler depicts a separate Christian attribute- *love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control*

In 1982, when the Memorial Committee and then pastor Reverend VanMetre met to discuss kneelers for the church, these nine attributes were chosen as the perfect theme. Called the "fruit of the Spirit" in Galatians chapter 5, these qualities seemed to typify the enduring Christian fellowship of Hunt's.

Mrs. Billie Conkling, an authority on church needlepoint, was engaged to design the canvasses. To further personalize the theme, the blue morning glory flower seen in our stained-glass window was selected to wind through each kneeler, while the reddish undertone of Christ's robe was chosen for the lettering.

By September 1983, church members had financed the project by offering the kneelers as memorials and honorariums, and volunteers were ready to begin stitching.

In March 1986, after many hours of patient, loving work, all of the kneelers were completed. A dedication Sunday, March 9, 1986, was set aside to personally thank each worker and donor. On Sunday May 2, 1986, the kneelers were installed in place, and a special dedication service was offered in thanksgiving. A special album highlighting all involved in this wonderful project was compiled and placed on display in the Bicentennial Parlor.

Since the spring of 1986, we at Hunt's have been privileged to use these beautiful works of religious art each time we kneel along the railing at the altar. As we continue to serve and honor God, may the "fruit of the Spirit" be among us for many years to come.

During the summer of 2016, the Reverend Gary Sheffield-James gave a series of sermons on each of the "Fruits of the Spirit." On Sunday, August 28<sup>th</sup>, the thirty-year anniversary of the dedication, the women who beautifully crafted the needlepoint stitching on the kneelers were once again honored and the kneelers were re-dedicated.

## THANK YOU FOR YOUR FAITHFULNESS!

Your financial support of Hunt's Church has been truly impressive during the pandemic – **THANK YOU!** Many of you have shifted to electronic giving, some have increased giving, and others are mailing checks to the church office. While we were concerned (and still remain so since no one knows how long the pandemic will last) that our giving might decrease with the pandemic, you have proven us wrong so far (this is one time we like being wrong).

Here is our performance through the end of April:

	2020 Actual through April	2020 Year-To-Date Budget	Difference	2020 Budget
Income	\$173,513	\$187,213	- \$13,700	\$386,662
Expense	\$118,564	\$142,880	\$24,316	\$418,445
Difference	\$54,949	\$44,333	\$10,616	- \$31,783

Although the picture is attractive, there were about \$10,500 of expenses budgeted for April that shifted to May, so our actual performance compared to budget is a bit overstated. A good way to think of it is that our bottom line is close to budget. While the income for the first three months is strong, we can't forget it benefits from some donations of stock we received in January, which was anticipated in our budget. Although our weekly offerings are modestly trailing our budget, expenses are running below budget as well, thus offsetting the impact of the lower giving.

The Finance Committee, primarily through Rick Ehrlich's efforts, has expanded the ways to give electronically as a result of the pandemic. We added the GivePlus app (<https://www.vancopayments.com/egiving/church-app>) to our Vanco electronic platform, and soon (perhaps by the time you are reading this article), we will add the option to give via credit card and text-to-give. Once released, information on these two methods will be posted to the church's website ([www.huntsumc.org](http://www.huntsumc.org)). We encourage you to check them out and choose the method that works best for you. Of course, we also welcome checks mailed to the church office – whatever works for you. Since most of our expenses are fixed in the short run (salaries, maintenance, etc.), we need to do what we can to continue supporting the church in these challenging times, so let's keep April's momentum going into the summer - let's eliminate the traditional "summer slump" this year.

If you ever have questions about our finances, please do not hesitate to contact me at [tedochs@msn.com](mailto:tedochs@msn.com).

Yours in Christ,  
*Ted Ochs*, Finance Chair

# "We are all in this together"

*The following was sent to Robert Sparks from his sister (in Texas) who received it from one of her High School classmates. – It was included in our May newsletter.*

Here is a note of encouragement to you all. The following words will attempt to lift each of you up, bring a smile to your face, and maybe even get your toes tapping and make you want to shout to the Lord. Throughout this letter are the titles of several well-known hymns, gospel songs, and contemporary Christian music that most of you are very familiar with. See how many of them you can identify, and the answers will be in the next newsletter. I can only imagine that each of you might even turn your radio on and the TV off after being inspired by some of these great song titles and the precious memories that they raise.

In the midst of this unprecedented time of uncertainty, our communities, our nation and even the entire world are searching for a source of security and stability. There's a simple solution, Jesus loves me. As believers in the saving power in the blood of Jesus, it's even more important than ever that we demonstrate that our only hope is built on Christ the solid rock. The immortal, invisible God only wise has us all standing on the promises that we have victory in Jesus.

Just as I am writing this, I stand amazed in the presence of Jesus the Nazarene. The old rugged cross at Calvary demonstrates how His Love lifted me. Isn't it His amazing grace that shows not only us as the family of God but all creatures of our God and King that o how he loves you and me?

What a friend we have in Jesus. The sweet hour of prayer that we enjoy whenever we want to have a little talk with Jesus demonstrates His love divine all love excelling. The realization of this love for us should make this little light of mine shine all the brighter and put that joy, joy, joy, joy down in my heart even in the face of a global pandemic.

It's not always easy to truly realize that a mighty fortress is our God, but knowing that this is my Father's world and that He's got the whole world in His hands gives us all the blessed assurance that nothing is impossible when we only trust him.

It's our heartfelt prayer for each of you to have just a closer walk with Thee and know that He Lives!

To God be the glory, Amen

P. S. Here's a hint to one of the song titles – Lilies of the Field

Total song titles + 35

**How many song titles did you find?**

# Knitting Ministry

Recently, our supply of prayer shawls had greatly dwindled, and we needed to restock. Thank you so much for replenishing our supply so quickly!

If you are working on one now or have one ready to be blessed and sent to church for distribution, please use the following prayer to bless your shawl and thank you for your work!

*"May God's grace be upon this prayer shawl...warming, comforting, enfolding, and embracing.*

*May this mantle be a safe haven...a sacred place of security and well-being, sustaining and embracing in good times as well as difficult ones.*

*May the one who receives this prayer shawl be cradled in hope, kept in joy, graced with peace, and wrapped in love.*

*Blessed be!"*

We also have been making what are called pocket prayer cloths and you may email Ellie Lott, Linda Keatts, or Nancy Kennedy to receive the pattern for either knit or crochet. These cloths are squares with an embossed cross in the center. They may be carried to remind us of God's love, nurturing, and caring during difficult times.

Dear Pastor Travis and Hunt's Congregation,

Thank you for your prayers and well wishes during a challenging month earlier this spring when my brother, Lee Meyers, underwent emergency surgery. Due to the Covid-19 virus, his wife and daughter could not be with him at the hospital or visit him during his follow up stay at a rehabilitation facility. This of course made an already frightening situation more so for him and his family. After successfully completing his rehabilitation stay, my brother joyfully returned home. He continues to work hard at his homecare program, determined to be strong and mobile as quickly as possible. It was wonderful knowing we had Pastor Travis and the "Hunt's Family" by our side during this very difficult time. Your prayers and caring thoughts were of great comfort to all of us.

With sincere appreciation,  
*Cheryl and Doug Eisenhower and extended Meyers family*

*thank you!*

# Preschool News

Hello! I hope you all are getting use to this new normal and are staying safe and healthy. We have been very busy with remote learning at the preschool. It has its challenges. Keeping 2, 3, and 4-year-olds attention via Zoom can be tricky. We have gotten many house tours, met family animals, participated in tantrums and melt downs, and have seen many faces up close as they like to get as close as possible to the computer camera. It has been fun, and we have made the best of the situation. I get daily face times, phone calls and emails from our children and their families.

Our teachers have been doing weekly Zoom lessons, sending email lessons, experiments, Spanish lessons, and worksheets. We have even dropped a few things off for the students on their front porches.

Those that follow us on Facebook have seen the adventures of Flat Kelley. The kids are having a blast taking her for bike rides, boat rides, fishing, playing with her, feeding her, and much more. They send me pictures which I then respond to as Flat Kelley and post the pictures on Facebook.

We had our farewell parade on Wednesday, May 20<sup>th</sup>. All of the staff, including Ms. Pegg and Pastor Travis, stood in a BIG circle in the parking lot and the parents drove their children around the inside of the circle so they were able to wave, blow kisses, say goodbye and show their appreciation. Families decorated their cars and made signs. It was a truly magical event. There were tears and laughter.

**We had a Zoom graduation for our 4-year-olds on Friday, May 22<sup>nd</sup>. Each child dressed in their Sunday best, shared an illustration of their favorite thing about preschool and was recognized by the teachers. Later in the day, the teachers proceeded in parade-like-fashion to each child's house to drop-off a package with the child's diploma and a special Hunt's Church Preschool graduation shirt!**

I have to say that I am so proud of my staff. Given these unseen circumstances we have come together to support each other and our families. We, as a faculty, meet on Zoom every once in a while, to catch up, plan, and support each other. Our emotions are all over the place! We truly miss being able to hug, teach in person, and enjoy our students.

I would like to send a shout-out to Ms. Pegg for her video Chapel lessons and to Jim Foster for sharing a video-book-reading with our children.

I also have to say that our parents have been AMAZING! The support they have given us is incredible! They celebrated Teacher Appreciation Week with us and spoiled us with gifts, messages, and phone calls! We have the best families ever, which makes this distance even harder!

Fingers are crossed for some kind of normalcy in the Fall. We are working on plans A, B, and C to get us back in the preschool and enjoying what we all love best: spending time with our Hunt's Church Preschool students and families.

Wishing you all a happy, healthy, fun-filled summer. I look forward to seeing you all again in person! Take care!

# Missions

I want to thank everyone for their generosity during these difficult times. We are sending \$1500 to the Assistance Center of Towson Churches that has been donated to the church so far. A huge "Thank You" to Dave & Lisa McMillan and their family for picking up food from members of our church family and delivering it to ACTC.

We have donated \$550 to families that Jim Foster is helping in the Mondawmin project.

Thanks to the incredible generosity of the congregation, Food for Thought received over \$4800 in cash and gift cards to feed 10 Dumbarton Middle School students each weekend and to provide an evening meal every other week to 8 Ridge Ruxton School families during the 2019-2020 school year. Before schools were closed for the year on March 16, 2020, we had provided 190 weekend food bags to Dumbarton students and 92 food bags to Ridge Ruxton families. In addition, the 10 Dumbarton students were each provided with \$50 Walmart gift cards over the December break. Grocery items and gift cards on hand after March 16th were donated to the Student Support Network.

With our remaining funds, Food for Thought continues to provide financial assistance to the Ridge Ruxton School students and their families. Several of the struggling families have contacted the school counselor for help and she is looking at the unique needs of each family. At one family's request, Food for Thought provided several toys to entertain a developmentally delayed toddler as well as a \$25 Amazon gift card to help the family. We will provide an update in the next newsletter.

Hunt's Church sponsored one \$500 micro-grant and Carroll's-Gill's Permanent Endowment Fund sponsored two \$500 micro-grants.  
(“COVID-19 Peace with Justice ---- Baltimore-Washington Conference)

Concerning Baltimore County Christian Workcamp (BCCW), no final decisions have been made in regard to what the 37<sup>th</sup> annual BCCW will look like for 2020; however, it will not be the same.

Unfortunately, Camp Hope has been cancelled for this summer, but we need to put safety first.

We are blessed to be able to do these things.  
Please take care of yourself and your family.

*Lynn Henss, Missions Chairperson*

Sometime during the month of May, I sent out an email message asking people to share any positive things that have happened to them during this pandemic.

★ At that time, I shared that one of the “silver linings” to working in the church office on a daily basis is that occasionally members (or friends) of our church family will call the office or come to the Agapé House to talk to me. (There is no mention of church related things.) Our casual conversation includes a myriad of topics. When the time comes to say, “Good-bye,” we have both been slightly enhanced because we have shared a part of who we are with the other.

★ Another “silver lining” for me has been a deeper “family-type” friendship with my next-door-neighbor. (We have been friends for 20+ years.) Many evenings, we talk for a while over the backyard fence. Plus, she often makes work-lunches for me. These lunches consist of food from her dinner the night before, and they are super-delicious! It is so sweet of her to do this for me. She is an amazing cook!

★ Jim Foster shared that for the first time, bluebirds live in his yard. He and his wife, Mary, wanted to attract them to their yard, so they sought-out the advice of a “professional” on this subject. They were told what type of bird house to obtain (and the direction it needed to face), as well as the kind of bird food bluebirds prefer to eat. As a result, the Fosters have bluebirds and “neighborly” neighbors who gaze at the birds and chat with Jim and Mary.

★ Jim Foster also shared that he and Mary have a new-found interest in (and appreciation for) “classic” Best Actor/Actress Academy Award winners and their movies. (The first Academy Awards were presented on May 16, 1929 for movies from 1927 and 1928.) From the list of winners, Jim and Mary select the movies they want to watch. (Jim said that some are free, and others cost \$1-\$3 to watch.) Popcorn is also available!

★ Cathy Junkin shared that every Saturday night, the neighbors on their street come outside at 8:00 p.m. They stand 6-feet apart and her husband, Dave, plays his guitar while everyone sings “God Bless America” in honor of all of the healthcare workers.

★ Pegg Melfa shared that she has had time to stop and smell the flowers, watch ferns uncurl, listen to birdsong, and watch birds build nests during this glorious spring. She is enjoying the very creative ways people are passing time during the pandemic and connecting with others. Her greatest blessing is this special time with her family and watching her granddaughter grow. Pegg went on to say, “Every one of these sentences mention ‘time’ which is often the simplest and most precious blessing.”

# Kidder-Thomas Scholarship Fund

The Kidder-Thomas Scholarship Fund resulted from generous bequests under the wills of Sam Kidder and Jean Thomas. The sum has been invested along with subsequent donations, and the income earned from this investment is for scholarships for “worthy students who are members of Hunt’s Church.”

Trustees of the Fund will consider applications for scholarship aid each year. There are three trustees that oversee the fund: Co-Chairs of the Church Council (Cara Ehrlich and Nancy Kennedy), Chair of the Finance Committee (Ted Ochs), and Chair of the Board of Trustees (Lisa Lipman).

**Applications must be received by June 30, 2020.**

Additional applications are available at the Church Office. The completed application should be submitted along with an official transcript of high school or college grades, preferably through the spring of the current year.

Scholarships are for Hunt’s congregation members who are undergraduate students enrolled full-time (12 credits or more per semester) and graduate students enrolled part-time or full time (6 credits or more per semester) in an accredited college or university in the United States.

In awarding scholarships, the Scholarship Trustees will primarily consider the applicants’:

- Academic merit
- Financial need
- Church involvement and activities
- Community involvement and leadership

The total amount of scholarships available is the fund’s earnings since last July. Generally, the awards have been in the range of \$250 to \$750. It is the Scholarship Trustees goal to meet and make their decisions in the month of July.

Applicants must make an annual application for each year of full time undergraduate or part or full time graduate status.

### Application Procedure

- Applicants shall submit:
  - An official transcript (with raised seal stamped) of grades (high school or college) to the Hunt's Church Office, Attn: Scholarship Committee, **Non-Official copies of grades will not be accepted as transcripts**: it is the applicant's responsibility to get all materials to the committee on time.
  - A personal statement (one half to one page) from the student briefly describing his/her activities of church and community involvement and leadership during the past two years.
- The Committee reserves the right to accept or reject any application.
- Students will be notified on or about September 1 of awards for the current academic year. Payment for the full academic year will be made directly to the student.
- To renew scholarship, the above procedure must be repeated annually.
- Completed application, student statement, and a current transcript of grades must be mailed to the Hunt's Church Office (1912 Old Court Road; Towson, MD 21204), Attn: Scholarship Committee, postmarked no later than June 30

Hi All,

I hope that everyone is well. Since it appears that we will not be together for the foreseeable future and even if we were, the passing of clipboards probably is not in the new normal!!

I have several months left in this year that need coordinators:  
**June 2020, August 2020, December 2020**

If you are able to do any of these, please email me at [linda@tefvideo.com](mailto:linda@tefvideo.com)  
I can also answer any questions [at the same email](mailto:linda@tefvideo.com) or 410-746-3433.

Many longtime “Hospital & Home” participants prefer a certain month, so if anyone knows what month they may want for 2021, let me know.  
(Please provide your email address and phone number.)

**Thank you to all who faithfully contribute their time and caring.  
It is so much appreciated!**

**Items Accepted:** All clothing, shoes, sneakers, belts, purses, blankets, sheets, pillowcases, drapes, tablecloths, and stuffed toys.

If you are involved with a Hunt’s mission for which clothing is requested or needed, suitable donated clothing in the shed can be diverted to your cause. Contact Steve Lippy for more information ([s.lippy@verizon.net](mailto:s.lippy@verizon.net)) or 410-296-9150). If you plan on donating good clothing, you may wish to check with the Missions Committee first to see if one of our projects is in need of clothing.

*(Your donation **will not** be cut up or shredded.)*

**Please ... no rags, fabric scraps, toys or household goods.**

***\*Hunt’s receives revenues based on the estimated weight of clothing recycled.***

To help keep your donations clean and dry,  
please put your donations in plastic bags.

**ALSO: Due to the high volumes presently being deposited into the shed, please make sure that any deliveries are pushed well into it as far as possible.**

**Thank you!**

*Steve Lippy*
